

The courses are held in Christine's studio in the beautiful village of Holcombe Rogus in the heart of the Devonshire country side close to the Somerset border.

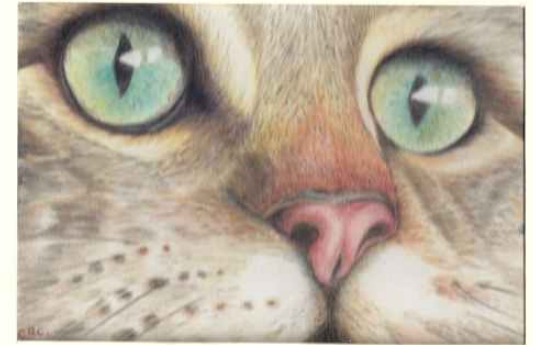

There are several B & B farm houses locally as well as Holiday Express and Travel Lodges on junctions 26 and 27 of the M5.

Tea Coffee and lunch are included in the price.

For the Parchment Crafter this is an artistic avenue concentrating more on using the Parchment paper to create truly beautiful art using all types of coloured pencils taking parchment to a new level.

The course is also suitable for non parchment crafters who would like to learn a new art form using Parchment paper discovering innovative ways of using pencils on parchment.
