Dear All,

Thank you for enquiring about the parchment weekends and weeks. The weekends run from Friday afternoon until after lunch on the Sunday, and the week holidays run from Saturday evening to the following Saturday after breakfast. Husbands / non crafting partners are also welcome to attend, and the cost would be approximately £245 for a week and £115 for a weekend.

The cost of the weekends include everything, i.e. 2 nights accommodation; all meals; teas coffees etc; workshops and demonstrations and materials used during these. The week holidays also includes 7 nights with food etc. (with the exception of lunches as you may like to take these out), workshops and all materials. The equipment you will need to bring will be your basic parchment craft tools, pads, inks, coloured pencils, dorso etc. (a full list and itinerary will be supplied later)

During the weekend or week, you would be working on a project which will be demonstrated to you, and guidance will be given in all sorts of parchment craft techniques. Whilst all levels will be catered for, the course is not suitable for complete beginners (i.e. never having even tried the craft), it is always advisable to have at least tried some parchment craft even if it is working on your own from a beginner's kit.

You may wish to give some thought as to insurance, because if you have to cancel too near the weekend for whatever reason, it may not be possible to give you any money back.

We do hope you will be able to join us,

Best wishes

Alison Yeates
